## New STEMCO Kaiser QwikKit & PlusKit Kingpin Kits

26<sup>th</sup> February 2026

STEMCO continues its long-standing commitment to durability and performance with the expansion of our no-ream kingpin offering:

QwikKit® – The original No-Ream Spiral Kingpin System, trusted for over 50 years.

PlusKit® – Our No-Ream Bi-Metal Bronze Bush Kingpin System, delivering reliable performance for over 15 years.

These additions strengthen our offering and provide fleets and workshops with high-quality, maintenance-friendly solutions designed to maximise uptime and minimise installation effort.
